Environmentally  
Friendly

# Why is SARAR Cassava Cat Litter?

SARAR Cassava Cat Litter is an eco-friendly, biodegradable cat litter made from the starchy root of the cassava plant, offering a sustainable alternative to traditional clay litters. It is easy to clean and super soft on paws – perfect for cats with allergies.

## What is Cassava Cat Litter?

Cassava cat litter is made from dried, ground cassava roots with added a small amount of calcium, phosphorus, and vitamin C. This natural, safe, and biodegradable litter is dust-free and forms strong clumps, making cleanup easy. Ideal for cats and owners with respiratory sensitivities, it's also environmentally friendly!
